SCHOOL MANAGING INFORMATION

A MESSAGE FROM OUR CHAIRMAN

When The Shivalik International School was first conceptualized and established in 2013 by the Founding Members of Our Trust, it was with the intention of creating an educational institution that would be like no other. Today, 4 years on, we are proud to say that our institution functions on a strong base of world-class infrastructure and has an amazing team of teachers and staff.

At The Shivalik International School, we believe in focusing on various dimensions of growth for a child and not just academics. Our endeavor is to make the school years of our children the happiest and the most educative years of their lives, to give them a well-rounded holistic education that would prepare them to adapt successfully to the rapidly changing environment of today's world.

I take immense happiness in sharing TSIS's excellence in education through these pages of the school website. The website gives a comprehensive overview of our world class school infrastructure and educational pedagogy, academic and co-curricular excellence, an assortment of activities and events that keeps the environs of TSIS throbbing with excitement and vibrancy on each and every school day!!!

Mr. Ramesh Sharma

A MESSAGE FROM OUR DIRECTOR

I have spent last 22 years in the field of education. As an educationist, I am very much committed to my philosophy that the role of education is creating an education system where the “CHILD COMES FIRST”. I dreamt of a school where the child not just excels in academics but is also provided to explore his or her potential in sports and cultural activities. I believe in the genius lurking within every child who can be an engineer, a scientist, a lawyer, a musician or an exceptional sportsperson.

At the Shivalik International School, it is our vision that we identify the inherent potential of child and to nurture it. A child centric place, TSIS offers spectrum of activities in the arena of academics, sports and cultural leading to multiple experiences and enrichment of students. Each of these activities is like the beads of a rosary, tied to a common thread – that of the development of an all round personality of a child.

With the help and active partnership of our parents we envision our students to become tomorrow's leader and hold up the name of their family, school, state and country in some field or other.

Mr. Anil Joshi

Principal's Message

Greetings and a warm welcome to The Shivalik International School, Haldwani and to an exciting new phase in your life.

Our school is a Co-Educational English Medium Day Boarding School, catering to boys and girls. TSIS is a modern and invigorating place providing schooling programme relevant to today's need. We have a well balanced curriculum and a rich programme combining academics, sports and cultural activities.

At TSIS students are encouraged to think independently and creatively. We value each child as an individual and our curriculum is geared towards the needs of each child. We wish to help each child to develop his or her ability to reason, to pose questions, to interpret results critically and make predictions, thus involving the child fully in the process of learning.

At TSIS, a family atmosphere is generated, enabling close links to be established between children and staff. These close links are a central factor in all the school's activities and pastoral care. My very competent team of teachers strives to focus on each and every child, monitor and mentor them, appreciate their achievement and encourage them to overcome their shortcomings. I urge all the teachers to create appropriate, meaningful and participative learning situations, inculcating life skills in the impressionable children and appreciating their smallest efforts with all generosity and broadness of vision.

I cordially invite you to visit our school to see the facilities and meet members of the staff. The staff at The Shivalik International School, is here to support you and help you out with any of your queries and apprehensions.

Mr. P.S. Adhikari

CURRICULUM AND METHODOLOGY

Mother-Teacher concept'

'Teachers hold their students' hand for a short while, but their hearts for ever.'

At The Shivalik International School, young Shivalians are nurtured under the tender care of mother teacher till Grade II. This concept helps in:-

- Understanding the child and developing an emotional bond between the learner and teacher.
- Helps in better insight to various developmental stages of the child, especially cognitive and emotional.
- Both the learner and teacher spend more time with each other and the teacher personally knows the areas of concern.
- Academically it gives time for the child to remain abreast with his peers.
- It gives a sense of satisfaction to the teacher, at the end of the session, on accomplishing the set targets as per the potential of the child and helping in the positive growth graph of each student.

Classes I TO V:

**"If I cannot learn the way you teach me,
Can you not teach me the way I can learn?"**

At the primary level, it is our constant endeavor to facilitate and provide a productive learning process through activity-oriented lessons, stimulating hands-on work and extensive co-curricular activities. Learning goes beyond books through projects, multimedia presentations, group work and collaborative learning, circle time and worksheets specially designed to encourage lateral thinking.

A child's mind is like wet clay and needs to be handled with care. Keeping this in mind, we The Shivalik International School provide an encouraging and loving atmosphere, fused with a lot of fun, so that students shed their inhibitions and learn with a free mind.

Grades VI TO VIII:

Middle school is the stage of transition for the students from an activity based learning environment in the primary section, to the stage where teaching methodology is completely

focused on the pursuit of knowledge and development of understanding and skills necessary to interpret experience.

Our middle school curriculum provides and promotes a learning environment based upon developmental readiness, needs and interests. The curriculum is broad based with emphasis on the core subjects. Students are engaged in experiential learning through a variety of resources in order to develop the appropriate knowledge and skill levels.

We follow the CBSE (CCE) pattern at middle school level. We ensure such Formative Assessment tasks are given which involve collaboration, discussion and reflection. Speaking and learning skills, presentation skills and practical skills and all the co-scholastic areas are assessed formatively.

Grades IX & XII :

All the teachers at TSIS, aim primarily to help the learner with systematic learning and development. Teachers use various types of modern teaching aids to connect with students, along with interactive and creative class room teaching. Our classes are equipped with modern teaching aids such as Interactive White boards and educational software.

The major emphasis of CCE at the class IX, XII level is on continuous growth of students, ensuring their intellectual, emotional, physical, cultural and social development.

The CCE pattern has been ingrained effectively with justified and equal importance being given to scholastic and non-scholastic areas in academics.

Formative Assessments carry 40% weightage, while Summative Assessments are graded for 60% in the entire academic year.

The students are exposed to various interesting Formative Assessments like Role Plays, Brochure making, Magazine designing, PowerPoint presentation, Surveys, Model making, Quiz etc.

Infrastructure

Our school covers an area of 5 acres with lush green grounds in sylvan surroundings. The school building has been designed and built keeping in mind the children, the philosophy, and the future growth of the school. There is a planned space for every activity that takes place in the school.

Every aspect of the school infrastructure at The Shivalik International School is carefully conceived and created with a specific purpose in mind. Spaces are designed to influence learning. Large open spaces and innovatively planned infrastructure encourages learning beyond the classroom.

Classrooms equipped with smart boards and customized student friendly furniture facilitate holistic learning. The entire campus is Wi-Fi enabled, ensuring integration of technology into the teaching learning process at all levels.

FACILITIES

Day Boarding

Day Boarding school is very helpful for nuclear families and the parents who are unable to give ample time to their kids and guide them properly. Keeping in mind the tight schedule of parents TSIS has planned to provide boarding facilities for the day. Availing Day Boarding facility is mandatory from Grade 1 onwards. In the first half of the day students have normal classes'. In the afternoon the students are given lunch by the school, followed by a short nap. Students are offered hygienic nutritious food that is suited for growing kids under the supervision of dieticians. After that students complete their Assignment under the guidance of subject teachers. Later for two hours they are engaged with extracurricular activities. School provides total 18 clubs out of which students can opt for two. However, music and martial arts are mandatory.

Classrooms

The classroom is a pulsating space with an excitement. Careful thought has been applied for the construction of the classrooms which are spacious, ventilated and allow plenty of natural light thus keeping the atmosphere fresh and making them ideal for concentrated learning. All Classrooms are equipped with smart boards having digital content to support teaching-learning. The content available consists of pedagogically sound and visually rich curriculum resources mapped and customized as per the school's scheme of work. Also student lockers are provided so that students can bring lighter bags in accordance with the CBSE no-bag policy.

Computer Labs

The IT infrastructure setup of the Shivalik International School consists of a well equipped computer labs. The school follows a graded computer education programme which introduces the use of computers at the Nursery level itself & then enhances the computer knowledge & skills in all the classes up-to senior secondary.

Science Labs

“One must learn by doing the thing, for you might think that you know it, but you have no certainty till you try” – Arsitotle

The Science Labs are well equipped with required apparatus as specified by C.B.S.E. Students of even the primary wing are encouraged to visit the science labs for even the basic experiments so that they become interested and curious about science and enjoy doing a variety of experiments.

Library

The library has a huge collection of books of almost all genres of literature and text books and reference books of different subjects. It is instrumental in inculcating reading habits among the students. The students make optimum use of the library for study and reference work. They are guided by well qualified librarian who helps them in selecting the relevant study materials.

The Abdul Kalam Azad Hall (Auditorium)

This superb facility spread in 6000 sq.ft of area is acoustically engineered. Named after our revered President Abdul Kalam Azaad, this multipurpose Hall provides stage facility to our students which help them to become confident speakers who have no stage fear. The auditorium It is well used for conferences, assemblies, visiting speakers, Board Examinations, debating, concerts and social events.

Dance Arena

On with the dance! Let joy be unconfined. - **Lord Byron**

Children learn to express their emotions through movement, and the focus that dance demands can help them find greater stability in their lives and form stronger self-identities. A large mirrored dance arena allows children self-expression and enjoyment. A competent dance coach explains the intricacies of various dance forms and the kids are more than happy to spend hours in the Dance Arena.

Art & Craft Room

“ A child is like a potter’s clay, which can be groomed and modeled in accordance to the desired shape”

Painting, Drawing, Sketching, Paper craft and Clay modeling, Pottery and other forms of art which give a creative expression to abstract ideas also find equal priority with academics.

Indoor Badminton Court

The huge indoor badminton court is managed by talented coaches and we can proudly say that we have been consistently producing state and national level players. Many championships for various age groups are organized which keeps the badminton court buzzing.

Table Tennis Arena

An inviting table-tennis arena with four tables allows children to try their hand and learn the skill under the tutelage of experienced coaches.

Indoor Games

Students can enjoy Carom and Chess in the sports room in their recreational time.

Out-door Games

Extensive play areas are designated for Cricket, Football , Basketball , Golf , Physical Education, Sandpit and Splash pool

Infirmary

There is an infirmary in the school furnished with 2 beds, First aid medical kit & basic medicines required for curing general ailments from which young students suffer frequently. It is being taken care by a qualified para-medic & also has a doctor on call facility.

Dining Hall

Our Central Dining Hall provides the students and staff with the lunch and snacks in the afternoon and evening. There is a Mess Committee which provides regular feedback to

management regarding the quality of food. In congruence with the policy of healthy eating, the school does not provide 'junk food' and aerated drinks.

Robotics Lab

Robotics is an interdisciplinary subject, rather than learning subjects in isolation Robotics combines mechanical, electronic, electrical and programming skills. In Robotics Lab, students are motivated to learn by creating their own robotic devices, while at the same time gain a deeper understanding of interdisciplinary fields such as Physics and Mathematics.

Smart Classes

We all know how helpful it is to remember something that is taught visually to us rather than the one that is read through pages after pages. Smart classes use all interactive modules like videos and presentations and these visually attractive methods of teaching becomes appealing to students who are already struggling with the traditional method of teaching in a classroom

Horse Riding

The horse riding skill is taught to students under the supervision of trained Riding Master. This is a seasonal activity, where in apposite weather conditions students of all age-groups learn and enjoy horse riding

ANNUAL REPORT 2018- 19

“ There is always one moment in childhood when the door opens and let the future in “ The Annual function is one of the ways when we open that door so that kids can explore their various talents and potential and become confident of what they can do and achieve.

MANAGEMENT COMMITTEE

Today on this special day, I take this opportunity to convey my heartfelt greetings to you and welcome you all to our ‘ Atyantika- Honble Chief Guest Mr Madan Lal, Chairman Mr. R.Sharma, Managing Director Mr. Anil Joshi , Director Mr. Sunil Joshi, Members of Managing Committee, my fellow Principals & invited guest. My very special guests- The Parents of My lovely Kids, We feel greatly honored by your presence. I can assure you that your presence here this afternoon is a source of motivation and encouragement to the entire Shivalik family.

Now the school report, I know the Principals report is not a very welcome interlude during the cultural programme, I have tried to trim it but excessive trimming of school report is like presenting your report card after deducting some marks your self, well, that was in a lighter vein. We all know Presentation of the school report on its annual day is enduring tradition to take time, to pause, turn around to look fruitful year gone by, achieving both expected and unexpected, While settling various mile stones, and than synergizing ourselves to move ahead to face the challenges in the coming years with positive attitude.

ACADEMICS

Academics – Academic is the soul of a school. We are living in time where the pace of event is fast indeed, So fast, in fact what is in trend today become obsolete tomorrow.

In educating the youth today, we cannot afford to lose sight of the fact that we must teach them to tackle with the problems of their generations, their society and their World, Yesterdays solutions to today’s problems would not suffice. The youth of today need to be readied for global stage. That is exactly what we are doing at Shivalik. We teach them how to think not what to think, and students are enjoying learning by doing. We are clearly witnessing the transformation in our students and are seeing their confidence level growing day by day and result is before you.

(1) In class X result Master Neeraj Pandey scored 98% Master Shashank Upadhayay 94% and Master Ashish Bisht 92% are school topper and our result was appreciated by CBSE. We have received a letter of appreciation for excellent result also.

FUTURE FORUM

(2) Future Forum conducted a exam where our students Manas Chauhan scored 1st position , Deepansh Deop -II, Vaibhav Verma- III.

OLYMPIAD

(3) Our student Ms. Bhawana Tewari got gold medal in International humanity Olympiad.

QUIZE & DEBATES

(4) Throughout the year we organized Inter house Quizzes, Debates, Dramas etc our students participated in various Inter school competitions and brought laurels to the school.

ACTIVITY ORIENTED COMPETITIONS

Junior kids participated in various activity oriented competitions to enhance their fine & gross motor skills and other attributes like enhanced observations skills etc with competitions like Red Day, I Spot competitions etc.

SPORTS

(5) Sports are an Integral part of Shivalik. We believe that sports provide for a well balanced personality. It teaches Coordination, team work, and improves overall health. A good mix of various sports such as Badminton, Foot Ball, Hockey, Basket Ball, Taekwondo, Cricket, Table Tennis, Chess, Carom, Khokho, Kabaddi, Athletics gives a wide exposure to students and keeps them interested in sports as they get to know various games.

CBSE TT CLUSTER

(6) We conducted a mega event this year. CBSE cluster Table Tennis tournament where 150 schools and 1000 Participants from Uttarakhand and Western U.P. participated.

PRERNA SHARMA

(7)At district level Table Tennis tournament, Prerna Sharma got silver medal and participated at State level.

KHEL MAHA KUMBH

(8) In Khel Maha Kumbh-

Ayush Joshi got gold medal, Arashdeep Singh and Prerna Sharma got bronze medal.

Our students, Master Arshdeep Singh, Ayush Joshi and Harshit Joshi participated in open Table Tennis tournament held at Chandigarh.

(DD Sharma Memorial Football Tournament) - We are the winners of D.D. Sharma Memorial Foot Ball tournament and participated in various tournament. **SSPF Athletic Meet** - In SSPF Athletic meet – Our student Jitendra Harnwal got gold medal, Abhay Dharmi and Vikash Bora also got Bronze medal.

Girls Hockey Team - Our Girls Hockey team played a match with Haldwani stadium team on National sports day.

Taekwondo - Junior students show a lot of interest in Taekwondo and are doing very well in this area. At district level taekwondo tournament, Miss Shikha Bisht, Rakshit Panwar and Kartik Sanwal got Bronze medal.

Vansh Pratap Karki - Our student Master Vansh Pratap Karki a Badminton sensation participated in various tournaments and brought laurels to the school.

- In Aug 2018 he was District Badminton Champion (under 13 & 15)
- Sep 2018 – Quarter Finalist in State Badminton Championship (under 13)
- Oct 2018 – reached Quarter Finals in North Zone PNB METLIFE BADMINTON CHAMPIONSHIP (under 14)
- Oct 2018 – All India Ranking Tournament held in Guntur (Hyderabad) achieved in qualifying Final Round (under 13)
- Nov 2018 – All India Ranking Tournament held in Tejpur (Assam) Qualified for main draw (under 13)
- Dec 2018 – represented in CBSE NATIONAL BADMINTON TEAM IN SCHOOLS GAME FEDERATION BADMINTON NATIONAL CHAMPIONSHIP in Aurangabad (Maharashtra) Quarter Finalist in Team Championship under 14 and fourth round in individuals event
- Jan 2019 – Block & District Badminton Champion in Khel Mahakumbh (khelo India) under 14 & selected for State Championship in Khel Mahakumbh held at Dehradun between 27th Jan – 30th Jan 2019

We have very talented coaches for various sports who are experts in their games and proficiently guide our students

ART & CRAFT

Art and Craft is an important part of the Shivalik curriculum as it improves motor skills, encourage self expression encourage creativity, encourage acceptance of others skills.

CLASS ASSEMBLIES

Drama - At Shivalik, Our state of art auditorium lends itself to various vibrant dramatic performances by students during assemblies and various Skit presentations

MAGICAL SHOW

Magical show by Aman Sarkar- When it comes to magic, it is said to be best for entertainment, education and engagement. Our school organized a magic show by Aman Sarkar in order to kindle students curiosity further.

MUSIC

Music - Good melody is something that everyone can enjoy and understand.

In our school we have talented teachers both in Indian classical and western music and instrument who train and guide the young one to explore their potential.

We have amongst us musical Sensation- Vaibhav Verma and Pratham Pant

Vaibhav Verma –

- (i) Got 1st prize in Dhrupad state level competition.
- (ii) 11nd prize Ninadh National singing competition.(11nd in National)
- (iii) 1st prize Anuvrat State level competition.
- (iv) Best performance award in Anuvrat held at Chennai

Pratham Pant –

11nd prize in State level singing competition n senior Solo held at Haldwani.

SCHOOL CHOIR GROUP

School Choir Group- Got 11nd prize in State level singing Competition Anuvrat at Haldwani.

LIFE SKILLS

Life Skills - To tackle the various challenges that the students face and infuse values in children we have lifeskill classes in our school. The Annual Function is a true example of this. Our theme this year is on “LIFE SKILLS”.

VISITS & EXCURSION

Visit And Excursion – Learning beyond class room. We conduct real life experience in teaching learning. We took our students to ATM, Bank, CA office and explained Real working /Practical working. Students also visited water park , Campa Cola factory, and Ramnagar.

BOOK FAIR

Reading Skill- In the age of internet reading habit is disappearing. At Shivalik we have a well stocked library and we encourage habit of reading among our students, to promote reading habits among children every month we give away the Reader of month award and every year we organize book fair at our campus.

SEEDS OF SUCCESS

Seeds of Success- Our News letter “Seeds of Success” Chronicles all event and happening of the school and also provide a platform to the student to present their creative work in it.

HEALTH CAMP

Health Camps- We invite specialist for Health check up and counselor for counseling the children. This year Dr. Kirti Bisht discussed the problems of girls child and Dr. Ashish Singh and Dr. Swati did a health check up.

SAFETY & SECURITY

Safety and Security – We discuss with our student about good touch and bad touch.

Road Safety – Mr. Vimal Pandey and Mr. Gurdev Singh(The ARTOS) interacted with the students and explained them about Road safety, and answered students query about various aspects.

POCSO WORKSHOP

Pocso Work Shop- One day workshop was conducted in the school and all the members of school staff, teachers, and subordinates, Drivers, Conductors, Ayas and were briefed by the principal and guest.

INSTALLATION OF CAMERAS

Installation of Camera- Students Safety and security is one of the top priorities. We have installed cameras in Buses to keep a proper Check.

CBSE WORKSHOP

Professional development of teachers is an ongoing program at our school to keep them up dated with the latest in their field. Shivalik conducted many workshops, and teachers attended various workshop conducted by CBSE. These training have brought in a vast improvement in the teaching learning methodology in our school and students have benefitted immensely

“ Education is shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.

PTM

PTM's are an integral part in the smooth functioning of a school. We conduct regular PTMs and one to one interaction with coordinator and Principal for better output.

Dear parents thank you for trusting us. Thank you for the Joy you bring to the children with your presence.

I would like to place on record my most sincere thanks to our Chairman Mr. Ramesh Sharma and Managing Director Mr. Anil Joshi for the trust and excellent support.

TEAM SHIVALIK

My report on the school would be incomplete if I do not mention our wonderful positive, cooperative, intelligent and hard working teachers of Shivalik, At times I feel that I create many difficult moments for my teachers, but they have always responded very positively with smile – “That’s my energetic team of Shivalik.

My special, heartfelt thanks to my entire support staff for their behind the scene work to keep school environment clean and presentable.

Thank you
